School News App
QUICK START GUIDE

Hello families! Your school has been added to the School News app by Edlio. It's a simple way to view your school's news feeds and calendars, and also receive push notifications directly from the school.

SCAN ME

Install in minutes:

1 Download the app from the App Store or Google Play (scan the QR code above or search "School News by Edlio").

2 Search for your school and add it to the app.

3 Enable push notifications and filter news and event categories.
